HAPPENING THROUGHOUT THE ENTIRE MONTH:

MORBID CURIOSITIES SELF-GUIDED TOUR

Throughout the month of October, come take a stroll through the Hall of Fame for a seasonal self-guided tour, where you'll find yourself immersed in some of our more ~macabre~ Appalachian artifacts. From murder weapons to oddities (such as coffins, peculiar folk art, and items from haunted buildings), our collection has something special for every strange soul.

Admission can be purchased in our Visitor Center upon arrival.
